THANKYOU

Thank you for your inquiry into our wedding photography. We feel honored to be considered by you and your spouse-to-be to capture the moments and memories of one of the most important days of your life. Since you are the star of the day, we realize the only way you will be able to get the full experience of your day is through your photos, and we are more than capable of documenting that story for you. From candid moments of joy to the details of your place settings, we will ensure you have hundreds of beautiful images that express the tone and essence of your day.

Should you choose add our Fine Invitations service to your wedding line up, we offer a 10% discount on our Photography service when your stationary order is \$1,000 or more. Fine Invitation services include wedding invitations, rehearsal dinner invitations, programs, reception menus, favor tags, escort cards, wedding day signage, thank you cards, and more.

Because no two couples are alike, at Mareta Creations, everything we do is custom! Although we offer packages, feel free to customize your own to create a bundle of services that fits your needs best.
